### About the Investment

**Investment type:** Listed Equity Linked Note.

**Minimum Investment Amount:** R500 000 (Five hundred thousand rand).

**Investment term:** Five (5) years.

**Currency:** South African rand (ZAR).

**Investment objective(s)**

25% of your Investment Amount will be allocated to a one-year Fixed Return Investment, a further 25% will be allocated to a three-year Fixed Return Investment and the remaining 50% will be allocated to an Equity Index Investment.

For purposes of this document, the Equity Index Investment and the Fixed Return Investments will be collectively referred to as the 'Investment'.

**After one year:**

You will receive a Fixed 1Y Return (FR1) based on 25% your Investment Amount, plus 25% of your Investment Amount back. At this time, you may access this money or reinvest into a new investment.

**After three years:**

You will receive a Fixed 3Y Return (FR3) based on 25% of your Investment Amount, plus 25% of your Investment Amount back. At this time, you may access this money or reinvest into a new investment.

**After five years:**

You will receive the remaining 50% of your Investment Amount back (irrespective of the performance of the Index), plus 150% participation in any Index growth (see 'Participation Rate' below).

**Currency risk**

The Index is quoted in USD. Your Investment is in ZAR and any positive Index Performance is exposed to the ZAR/USD exchange rate over the Investment term. This Investment does not utilise any of your individual foreign exchange allowances.

**Capital protection on maturity**

Provided you hold your Investment for the full term of each portion of the Investment (25% for one year, 25% for three years and 50% for five years), your South African rand Investment Amount will be repaid in full, irrespective of the performance of the Index.

**The Index**

The Index to which the Investment is linked is the MSCI World Business Cycle Clock Factor Select ER Index (the 'Index'). The Index fact sheet can be found on our website or ask your financial adviser to provide you with a copy.

**Index Performance Calculation****Initial Index Level (i)**

The level of the Index on the Investment Start Date at the Valuation Time as determined by the Calculation Agent.

**Final Index Level (f)**

The arithmetic average of seven monthly levels of the Index will be taken over the last six months of the Investment term, at Valuation Times as determined by the Calculation Agent. These dates will be available on the term sheet post-trade and will be made available to investors upon request.

**Index Performance (IP)**

$$IP = (f-i)/i$$

**Valuation Time**

The time at which the official closing level of an index is calculated and published.

## Final Redemption Amount

### Fixed 1Y Return Investment

The redemption amount on the Fixed 1Y Return Investment will be calculated as follows:

Investment Amount x 25% x (100% + FR1).

### Fixed 3Y Return Investment

The redemption amount on the Fixed 3Y Return Investment will be calculated as follows:

Investment Amount x 25% x (100% + FR3).

### Equity Index Investment

The redemption amount on the Equity Index Investment will be calculated as follows:

Investment Amount x 50% x (100% + PR x FXR x MAX [0%; IP])

'FXR' means 'Foreign Exchange Rate' determined as USDZAR Final level / USDZAR Initial level.

'MAX' means 'the greater of'.

## Other important information

### Tax implications of the product

The tax implications of this product can be complex and depends on the facts and circumstances of each investor.

Please obtain your own tax advice, relevant to your circumstances, prior to investing.

### Valuations, early redemptions and maturity

On maturity of the Fixed 1Y Return and the Fixed 3Y Return Investments you may access the full proceeds of these portions of the Investment. Your financial adviser will provide you with suitable reinvestment options based on the availability of investment products at the time.

Please note that if you choose to make any additional withdrawals the withdrawals will be done at the prevailing market value of the Investment and any such early withdrawal could result in you losing some or all of your Investment Amount.

Further, note that all investment proceeds due to you will be paid out within approximately seven (7) business days after the Maturity Date.

### Cooling-off Period

There is no cooling off period allowed under this Investment, so please consider carefully whether you want to invest before you submit the application form.

If you surrender your Investment, we will sell the instruments and pay you the current market value. This value may be lower than your initial Investment Amount. This will be seen as an Early Redemption - see section above.
